Mr. Joel C. Golden

Dear Mr. Golden:

This letter is written on behalf of Mitchell A. Marini. Mitch joined our professional staff on September 24, 1973, and was with us through October 9, 1973. During this brief time, he demonstrated outstanding ability for the type of work involved.

He showed enthusiasm; energy; a willingness and ability to meet community leaders; effective motivation and guidance of volunteer scout leaders. His fellow staff members accepted him immediately, as did the volunteers in the district to which he was assigned. Both expressed regret at having lost him. He showed initiative, communicated well, and was very reliable.

I came to respect his abilities and developed a personal liking for Mitch immediately. The circumstances which caused his departure were tragic, in that he has a tremendous potential for good. While he cannot fulfill that potential with us, we hope that he can be helped to realize it in some other area of need.

Very Sincerely,

David M. Avolio

Dear Sir:

We have received word in this office that Michael Adrian Marini, Executive Trainee, has been released from his position and we have placed him on our Confidential File.

We do, however, need more substantiating information that will support our placing this man on the Confidential File. Please send us a more detailed letter concerning the facts in this case and also we would appreciate a copy of the police or court record. Also, we would appreciate knowing if you feel this man should be rehired or allowed to serve in a volunteer capacity? This information is most important for future reference purposes and would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible with the above requested material. Unless we receive this material it will be difficult to keep this man's name on the confidential file.
